

Building trails and community.

**Support NAMBA - for the benefit of your
business, and our community**

Building Community

Shape and connect with NAMBA's community, story and audience

268 volunteers

10 dig days held; each saw the community turn out in force to help open Twin Peaks to the public

Community buzz

Opening was met with incredible reception from cycling community and media from across Japan

1000 attendees

3 free events held with total attendance of 1000 people, and coverage from many media streams

Fundraisers

2 raffles and 2 bike giveaways held to fundraise for NAMBA, and to give back to the community

Massive growth

Social media following grew by 200%, reach increased by 280%, and interactions and link clicks up by 100% YOY

A wide-angle photograph of a dirt trail winding through a dense forest. The trail is made of packed earth and is surrounded by lush green grass and fallen leaves. In the background, many tall, thin trees stand in a forested area, with sunlight filtering through the canopy.

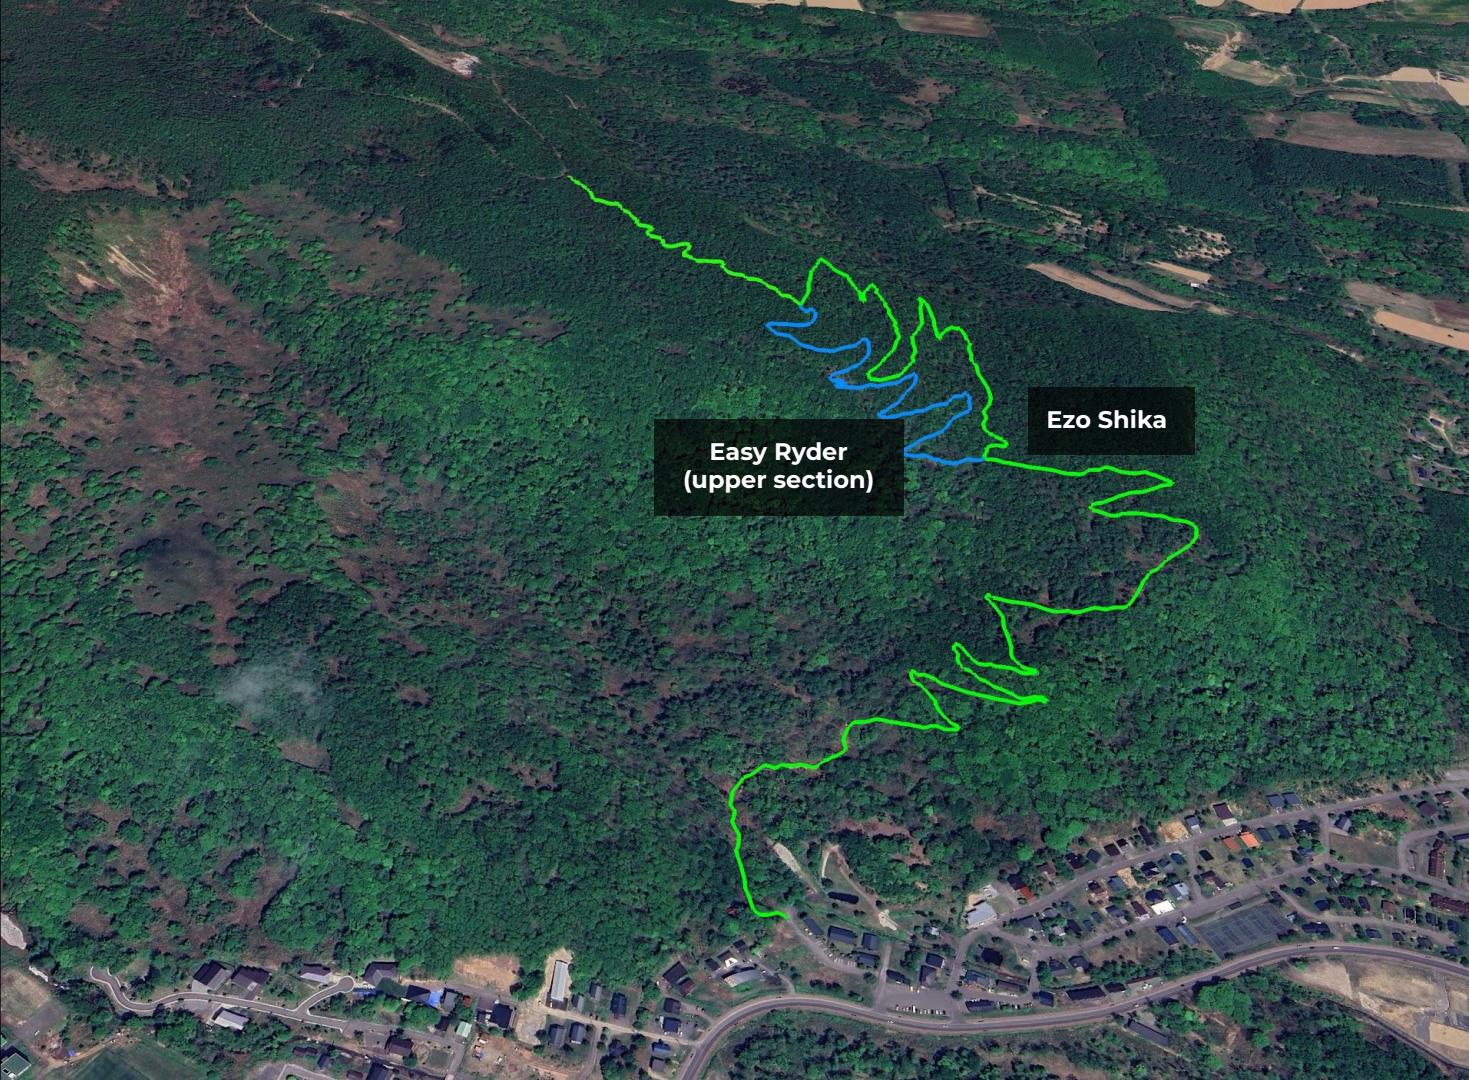

Building Trail

Transforming Niseko summers, forging a destination, delivering unforgettable experiences

2022

4.7km of new trail
completed during the
Twin Peaks Bike Park's
inaugural year of trail
building

Total trail distance: 4.7km

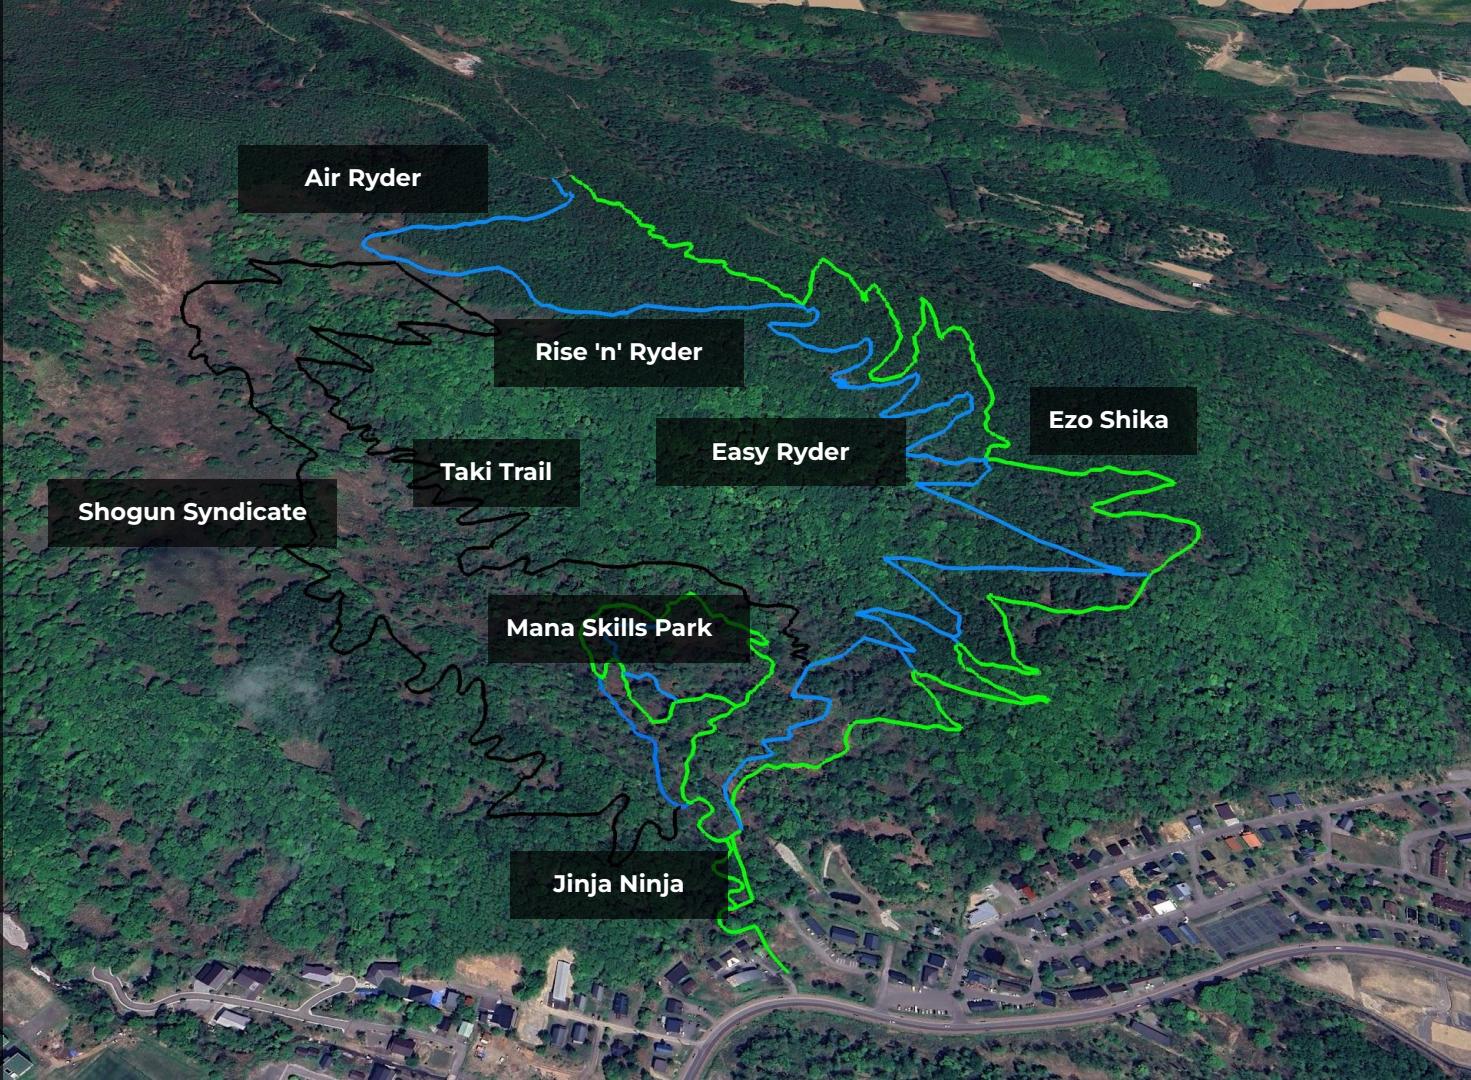

2023

9.5km of new trail

completed, Twin Peaks
Bike Park is opened to
the public

Total trail distance: 14.2km

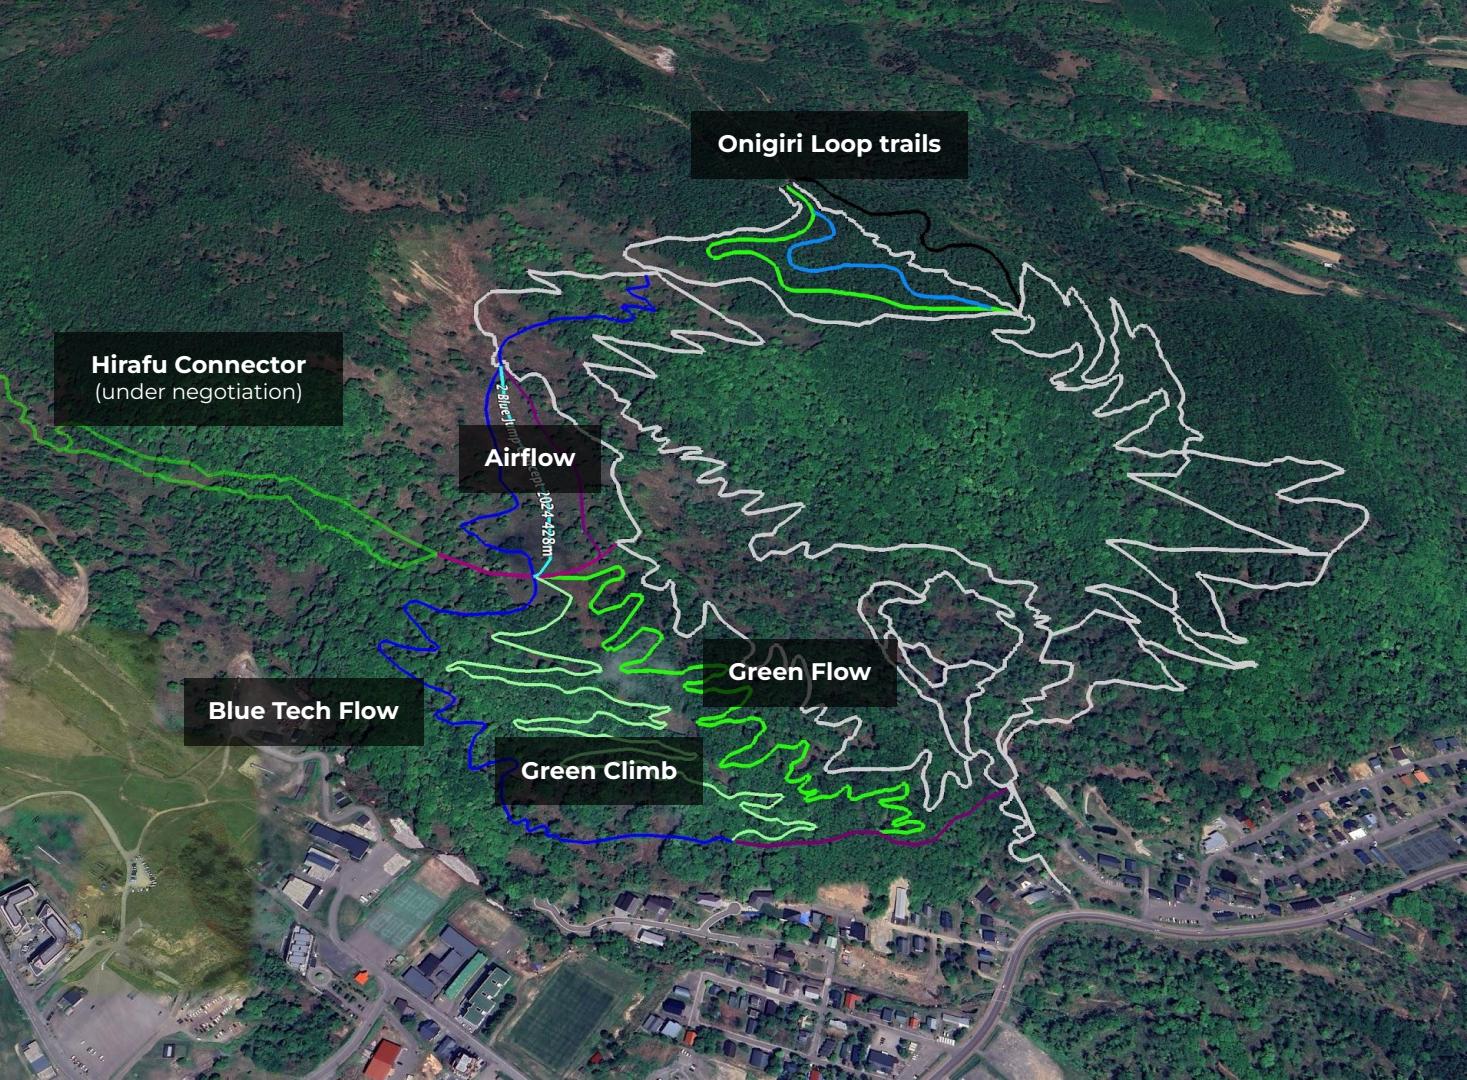

2024

(concept)

11.8km of new trail
planned, including
connectors to Hirafu
Bike Park, and new
beginner terrain

Total trail distance: 26km

2024 Road map

Phase 3 planning is well underway, marking a major expansion with up to 11.8km of new trails in 2024

Finalizing talks with Tokyu for connector trails between Grand Hirafu & Twin Peaks, highlighting destination status of Twin Peaks, and promising increased ridership and sponsor brand exposure

More events planned for 2024 in collaboration with major bike brands with large audiences

How you can support

Help build trails, communities, summer tourism and the sport of mountain biking

Exposure

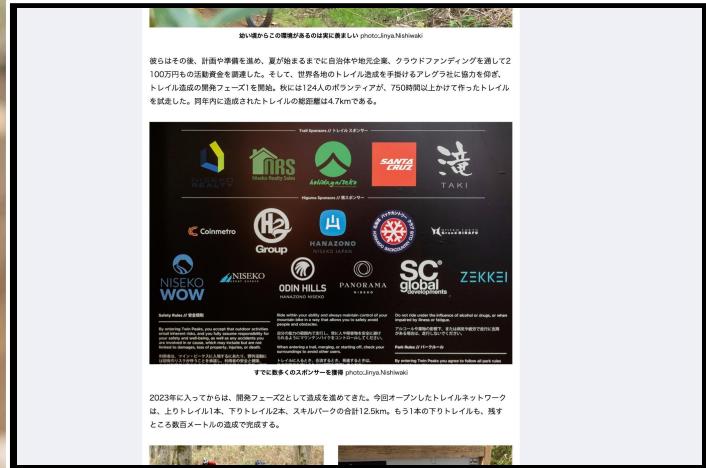

In the park

Your brand logo will be displayed throughout the park; not just on trail signs, but on large trail map signs throughout the park. All signage is strategically placed for high visibility, and are seen by all who visit the park.

Pictures of the signs (including sponsor logos) are featured in online and print media (eg **Cyclowired**)

Exposure

In Media

NAMBA's website includes logo in special sponsors section, and a footer banner with logo on all other pages

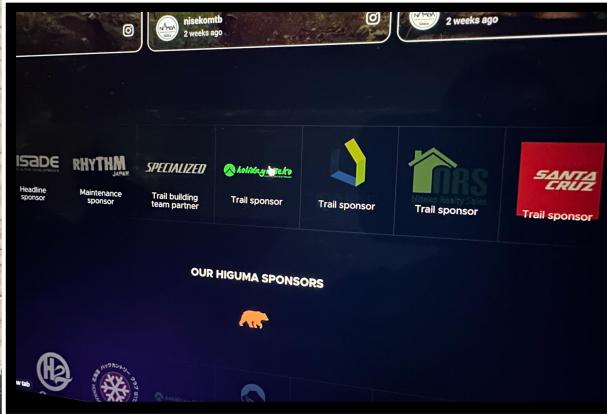

Web based trail information, including including global sites such as Trailforks

Printed marketing material, such as flyers & pamphlets

Special announcement campaign on SNS, and recurring posts in recognition of your support

Operations

Commercial operator passes

The Twin Peaks Bike Park is, and will remain, free for public *non-commercial* use.

Guiding, instructing, and tour operators requires a Commercial Operator Pass – included for life as a benefit full trail sponsorship. This pass is required for all operators, including hiking, mountain biking and other groups.

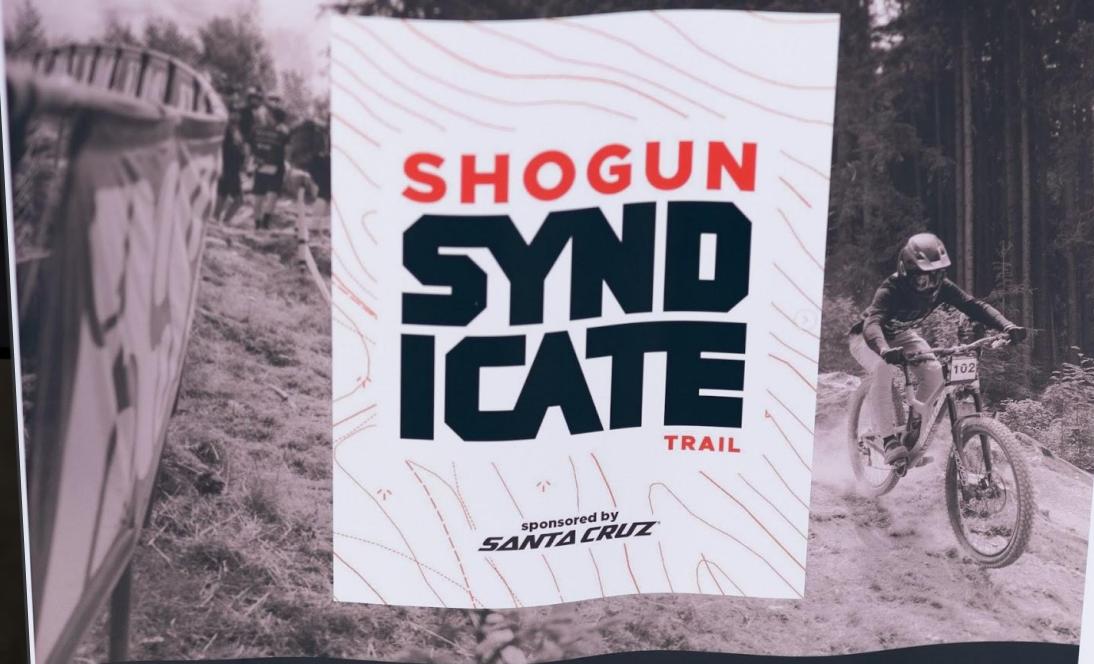

NAMBA's website will include a web page listing operators with contact links to each for bookings.
